Aunt Marian Ethel & the boys had gone crabbing this A.M. They got a dozen. We had the crab salad for supper. They want to go again. They enjoyed it a lot. Well Billy I hope you will have a nice time at Mud Wood. Be sure full of everything you do, so you will stay well then I'm sure you will enjoy yourself. If your appetite will be like ours down here I'll pity the cook. Well there always a restaurant if the cook gets sick. Send me a card now & then please. Love. Mommy
